

A LANDSCAPE UNDER THREAT

CONSERVING THE BLUE RIDGE, NORTHERN PIEDMONT AND LOWER SHENANDOAH

We all love Virginia! We love our open spaces and we value our history and culture. But the pressures of development are all around us.

WE INVITE YOU

to join us for a conversation about the future of our landscape and our communities, and the use of conservation easements as a tool for permanent protection. Come and hear representatives from Loudoun, Fauquier, and Clarke Counties discuss what the issues are, what needs protecting, who is working on what, and what we need to do, together, to protect the Virginia we love.
